Horse Drum Workshop

As we reconnect with Mother Earth, many are relearning the old ways of the Native Americans, using the animal energy as they did. Ancient Native Americans believed all animals had lessons to teach, including healing and inspirational powers. HORSE energy is a powerful form of medicine used in Shamanic travel. Since the coming together of man and horse, man's life has forever changed. HORSE brings us Freedom, Power, Passion, Steadfastness, Balance, and the ability to move from place to place. If you are ready to make a change and move beyond your spiritual and physical limitations, HORSE has the power to help create that change.
